9 October 1959

MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Amendment No. 3 to Contract
No. TM-1461 with General Precision Laboratory,
Incorporated, Pleasantville, N. Y., [redacted]
Project CHALICE (AIR FORCE)

25X1

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 4.

2. Contract No. TM-1461 provides for repair and overhaul when and if required of Radan equipment previously procured by this office for the Air Force. Amendment No. 3 has been drawn to establish fixed hourly rates for the periods 1 January 1959 through 30 June 1959, and 1 July 1959 through 30 June 1960, and provides for Intercompany transactions. Allotted funds have been adjusted and \$6,231.44 should be liquidated from "No Year" Air Force funds available for use during FY 1958. By concurrence to this memorandum, the Comptroller signifies that funds have been adjusted as provided above. *DMK 3056.60*

3. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) see 85-507 dtd. 7/7/58) for each contract.

4. Concurrence in Amendment No. 3 to Contract No. TM-1461 is recommended.
